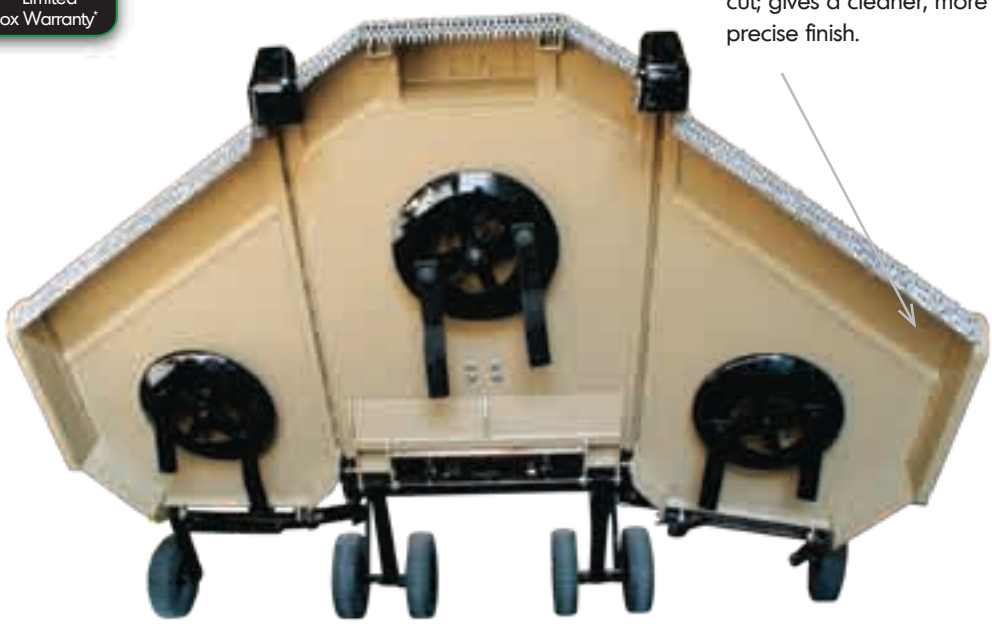
50 - 250 HP — 15′

5 year Limited Gearbox Warranty*

- Smooth top design
- 15′ Cutting width
- 7 Gauge bottom, 10 gauge top
- Pull-Type, self leveling hitch and clevis
- 2″ - 14″ Cutting height
- 3-1/2″ Cutting capacity
- Shredder kit available
- Cat. 4 or 5 slip-clutch wing drivelines
- 6 or 8 Wheel option
- Center walking tandem axle available
- Replaceable 1/4″ side skirts
- Optional front and rear shielding
- Optional deck rings

Double your smooth.

Pre-Cut Chamber
Allows material to spring back up before being cut; gives a cleaner, more precise finish.



The RC5515 not only features a smooth top, but our underside is just as smooth. No nooks or crannies to allow debris to compact in and no frame members to get hung up on obstructions.

250 HORSEPOWER

HEAVY DUTY

RC5510 SERIES

Available in:

50 - 250 HP — 10' Offset

5 year Limited Gearbox Warranty*

- Left hand weight box
- 10" deck height
- Optional hitch configurations
- 2-3/8" Gearbox output shaft
- 5-Bolt cast iron wheel hubs

Our center skid shoes allow the cutter to "glide" over bumps and undulations and can be mounted in two locations to fit your terrain or tractor tire width.
